

Monday February 1	Tuesday February 2	Wednesday February 3	Thursday February 4	Friday February 5
Welcome to student teachers Ms. Lauryn in Div. 9 and Ms. Bain in Div. 6				Popcorn Day 

Literacy Week-We had a fantastic week at Willway celebrating literacy. It was fun to dress up on Friday and see all of the students celebrating reading, writing and storytelling.

Drop off and parking-It is important to remember to not park along the ditch in front of the school as it causes congestion and makes drop off unsafe for our students. Parking is a challenge at many schools in the district and that is why it is important to drop off and go. There are five EA's outside in the morning starting at 8:30 which is when students should be arriving and heading to their line ups. We have only one supervisor on before that time and as the health and safety guidelines have asked us to limit people on the school grounds we ask that students come as close to 8:30 as possible. At Willway we are lucky to have five entrances to our school grounds and are hoping some parents would be willing to change their morning routine to drop off at one of the lesser used entrances to ease the congestion on Mt. Wells Drive.
