Easter Monday	Subway Hot Lunch Day			

Welcome back- It was great to see the kids back at school this week after Spring break. We are into our spring term and the weeks will start flying by as it gets warmer out. Thank you for keeping your kids home when they are feeling unwell and completing the daily health checks. We are being extra vigilant with the increase in Covid 19 cases in our province and on the island.

Masks-Grade four and five students will be wearing masks at all times now. They can take them off outside if they are practicing social distancing measures. To ensure healthy mask wearing it might help to pack five clean masks into the back pack on Sunday night and then wash them before the following week. Our Kindergarten to Grade three students are encouraged to bring and wear masks when indoors. Again using a clean mask every day is important for good health. These are new recommendations from the PHO. Thank you for continuing to support the health and safety of all Willway staff and students.

Parent Teacher conferences- Teachers will be letting you know this week how conferences will work in their class. Normally our spring conference is a Student led one but due to Covid we will continue to meet virtually or by phone with parents as needed or requested. Fingers crossed that we can go back to Student led in the fall!
