

Monday June 28	Tuesday June 29	Wednesday June 30	Thursday June 24	Friday June 25
Bring a water bottle and hat!!  	Last Day of School  Bring a water bottle and hat!!  		No School	No School

Report Cards- Please see the attached document on how to view report cards on the Parent portal. This year students will be bringing home a paper copy as we transition to only viewing summative reports online. The report cards will be published online on the parent portal on Myed on Tuesday. Until that time they are only available in draft view form not published view.

The Heat!

It looks like this HOT weather will continue and increase into next week. Please be sure to send your child with a water bottle and hat. We do not have air conditioning in the school and will do our best to keep the children as comfortable as possible given these challenges. We will likely have shorter times outside and utilize alternative spaces within the school.

Summer Reading Program-Summer Reading Club (SRC) at Vancouver Island Regional Library (VIRL) is about to begin. With this year's theme of Crack the Case, kids can find clues, solve mysteries, and participate in some great programs all summer long. Teens can also take part this year in a Lord of the Rings-themed quest called One Library to Rule Them All. Registration is open now [open online](http://bcsrc.ca) (bcsrc.ca). After registering, participants can pick up their SRC package from any VIRL branch, which includes a mystery solving reading record. Other ways kids can get involved range from participating in VIRL's Spy Academy to registering for some case cracking virtual programs.
