Thank you- It was great so meet some new parents at our PAC meeting this week. We are hoping to encourage more people to join us in October! We plan to have our meeting in the school next month and will take parents on a school tour with our PAC executive Stay tuned....

Important Reminders-

1. We have three "Kiss and Go" spots in our parking lot that are drop off only before and after school. They are not parking spots until 8:50-2-30. Thanks for your support as we try to improve safe travel to and from Willway!
2. We now have buses coming to Willway all morning and afterschool as we are one of the overflow schools in the district. There is **NO PARKING OR DROPPING OFF** in the school bus zone. Safety for our bus students is key. We are working with CRD and Langford to map out safe walking and biking routes to school. We have four other entrances to our school fields and we really encourage families to drop off at one of those entrances instead. A map will be provided by Langford as to where those entrances are and we will get it out to families as soon as possible.
