

Happy Holidays - As we head into this winter break we want to say thank you to our PAC and parent community for being so supportive of the fundraisers, Christmas Shoppe and food bank this year. We raised over \$1000.00 for the food bank from Christmas Shoppe alone! We keep hoping for an end to the pandemic and we know now that there is not a definitive end. This knowledge has been challenging for us as a society but it also allows for us to look at alternative ways to bring back the lightness, kindness and good will towards others. The staff at Willway are a tremendous group of people who work hard to teach students both academics and social emotional wellness. We believe that being kind towards one another in our community is the only way forward in these trying times. So thank you for sharing your kids with us, they keep us smiling, laughing and hopping! We wish you and your families a wonderful winter break. See you in 2022!
