

**Week ahead** - Thank you for your understanding as teachers have made changes within their rooms and have prepared materials in the event of a Health or Functional closure at the school. Please see the email from Superintendent Scott Stinson that was sent out on Friday to families for further information. Students will continue to wear masks indoors. Dr. Henry has recommended good fitting masks. Students must **arrive at school on time** so we can accurately report our attendance to health officials. As normal practice, families are required to complete the Daily Health Check. If your child is ill or showing mild signs of illness keep them home and email [willway@sd62.bc.ca](mailto:willway@sd62.bc.ca).

If your child needs arrive late or be picked up early, please call or email the office. Drop off and pick up will occur at the front doors by the office. Just knock on the windows and we will be able to help you when you arrive.

Sincerely, Ms. Laidlaw and Ms. Henson

Monday January 10	Tuesday January 11	Wednesday January 12	Thursday January 13	Friday January 14
