

Updated week ahead-Happy New Year! Here we go again, yet another pivot as we deal with the realities of the Covid-19 pandemic. We have been advised that schools are closed to students this week. If you are a essential health care worker or have a child(ren) with exceptional needs and have no other options for child care this week please reach out to Ms. Laidlaw at klaidlaw@sd62.bc.ca to arrange supervision. Hopefully in class instruction will continue on January 10, 2022. We look forward to welcoming students back from their extended break at that point. Please make sure to read any updates in next week's "Week Ahead" regarding Daily health checks and updated mask requirements we will hopefully have all the information by Friday that we will communicate out to you. The information that we receive changes daily and so we thank you for your patience and flexibility as we navigate both this current closure and the next few weeks. Thank you for continuing to support the Willway community as we work to create safe and engaging learning environments for the students.

Sincerely, Ms. Laidlaw and Ms. Henson
