

## **Upcoming Langford Volunteer Opportunities**

My name is Severine and I am the Program Coordinator for the [Greater Victoria Green Team](#). We are organizing 3 upcoming community engagement activities including our first ever neighbourhood litter cleanup in partnership with the [City of Langford](#)

**This family-friendly activity is perfect for all ages** and focuses on facilitating connections between people, trying and learning new things, exploring new areas, caring for the places we live and feeling part of a community, all while having a positive environmental impact. **Letters confirming volunteer hours at this activity will be written upon request.**

**NO EXPERIENCE NEEDED! ALL AGES, backgrounds and abilities are invited.** Gloves, equipment, snacks, educational instruction, and a small thank you gift will be provided. **Come for as long or as little as you're able to! We will be out RAIN OR SHINE.**

On **Saturday, October 28th (9:45 am – 1:00 pm)**, we will be removing invasive plants such as English ivy from an important habitat protection area at Porcher Park. [Info & sign ups can be found HERE on our Meetup page.](#)
