

Hello Willway Families,

This spring we are excited to fundraise with a local BC company — Your Green Kitchen. YGK uses handmade organic products that everyone can enjoy and feel good about asking family and friends to support. YGK campaign opens **April 19th** and runs until **May 2nd**. Check out the totes, wet bags, tea towels, snack bags and hoodies and place your order at www.ygkfundraising.ca

Orders will be sent to Willway and picked up in the multi-purpose room (date to be announced). Products would be a perfect Mother's Day gift but unfortunately, we can't guarantee delivery in time for that weekend. Please **BE SURE** to put in your **STUDENT'S NAME** in the **NOTES** section at checkout.

Thank you for your support!

Willway PAC
