ORANGE SHIRT DAY - Mon. Sept. 29th

We will be having a gathering outside to recognize the National Day of Truth and Reconciliation and invite students to wear an orange shirt to symbolize the harm done to those forced to attend Residential Schools and to show our commitment that 'Every Child Matters'. The student created messages of hope and support on orange feathers that we made last year as a whole school project were recently attached to our garden fence as a symbol of our school's commitment to Truth and Reconciliation.

Core Competencies @ Willway:

The first Core Competency that we will be exploring with students at Willway is Personal and Social Responsibility. This set of abilities relate to students' identity in the world, both as individuals and as members of their community and society. Personal and Social competency encompasses what students need to thrive as individuals, to understand and care about themselves and others, and to find and achieve their purposes in the world.

In Action:

- I can solve problems in a peaceful way
- I can share my feelings
- I can be respectful of others
- I can keep trying even when something is hard
- I can think about other peoples needs and feelings

PERSONAL & SOCIAL COMPETENCY

TERRY FOX RUN AND ROLL
