Core Competencies @ Willway:

The first Core Competency that we will be exploring with students at Willway is Personal and Social Responsibility. This set of abilities relate to students' identity in the world, both as individuals and as members of their community and society. Personal and Social competency encompasses what students need to thrive as individuals, to understand and care about themselves and others, and to find and achieve their purposes in the world.

In Action:

- I can solve problems in a peaceful way
- I can share my feelings
- I can be respectful of others
- I can keep trying even when something is hard
- i can think about other peoples needs and feelings

Kudoboard for Ms. Monique

Long-time ECE, Supervision Assistant and Library Assistant at Willway, Ms. Monique, has accepted a new position at Sangster working in the Nature Kindergarten. We will still see her at Willway on Fridays for her Library position, but we are sad to see her go. Her calm, supportive presence was relied upon by students, staff and families alike. We will miss her! Please join us in wishing her all the best by adding to her kudoboard: click [here](#).
