Remembrance Day Assembly

We were honoured to have Captain Trevor Greene (formerly of Seaforth Highlanders) attend and speak at our Remembrance Day Assembly. Thank you to all of the students and staff who assisted in the preparation and presentation of the assembly.

Willway Garden Update:

Thank you to Matthew Kemshaw of the Flourish Society and the parent-guardian volunteers that participated in our garden work party on Nov. 3rd. Within our expanded garden area, work was done to open up the space by pruning back the shrubs, removing rebar, and creating two more garden boxes. We appreciate all of the support from the Willway community!

Core Competencies @ Home

- Students develop Core Competencies at home as well as at school, making parent/guardian support for students' growing awareness, understanding, and development of the Core Competencies crucial
- Parents/guardians will likely already have some understanding of their students' development in Personal and Social
